Via Adelaide Ristori, 44 - 00197 Roma

THE CAMPUS THEME REVOLVES AROUND THE OLYMPICS

**We assigned a continent to each week in
the run-up to the 2024 Olympics.**

Africa

Asia

Europe

America

Oceania

WATER GAMES

Join us for a splash-tastic time in the school garden this July with our exciting water games! Beat the heat and dive into fun with water balloon tosses, sponge relays ect.

It's a perfect way to cool off and make a splash with friends while enjoying the sunny summer weather

Don't forget your swimsuit and towel – it's going to be a splashing good time!

Via Adelaide Ristori, 44 - 00197 Roma

ART LAB

Get ready for a month of artistic exploration this July with our art workshops! Each week, our little ones will dive into the world of a different artist based on the theme of the week.

From mastering brushstrokes inspired by Van Gogh to crafting sculptures a la Picasso, there's something new and exciting to discover every week. Join us for a summer filled with creativity, imagination, and a whole lot of fun!

Via Adelaide Ristori, 44 - 00197 Roma

YOGA & PSYCHOMOTRICITY

Yoga and psychomotricity to get to know your body through movement, breath, sounds by playing and relating to others. Practices that help children to get involved and channel both **mental and physical/psychomotor energies through** stories and representations, sounds and words and dancing and stillness movements. You learn, also thanks to these games, a better ability to control and self-control of the body.

Via Adelaide Ristori, 44 - 00197 Roma

GARDENING

In the garden there is everything: the earth to finally get dirty, the little worm that disappears at a certain point, the butterfly on the flower, the tomato that is finally in its place, new leaves that sprout... here is a wealth of sensations, visual, olfactory, actile, and more, which strengthened by direct experience are fixed in memories.

Environmental education, sensory workshops, earth manipulation and plant sowing and plant care experiments!

COOKING LAB

Every week a special cooking project to approach food with curiosity, learning how to use utensils, experimenting with new ingredients and becoming familiar with food. The kitchen thus becomes a tool to allow children to develop manual skills but also self-esteem and curiosity, in a family environment.

Via Adelaide Ristori, 44 - 00197 Roma

WHAT TO BRING

- Sunscreen
- Swimsuit
- Beach towel
- Shoes for water play
- Complete change of clothes
- All inserted inside a bag (if possible with the name and surname of the child).
- The school carries out disinfestations against mosquitoes every three weeks
- Despite this we suggest that families wear repellent (bracelet, cream, spray, etc.) or have it at school so that it can be applied as needed.
